- Whilst we will provide most information free of charge, we may charge a fee for photocopying/printing/faxing/postage of longer documents. If you ask for information in an

expensive alternative format, we may charge for this, subject to legislation, such as the Disabilities Discrimination Act (see '**Charges**' below).

- If we intend to charge for the provision of information, we will tell you in advance what the charge will be (through a fees notice) and will provide the information when we receive payment (cash or cheque). The time allowed for us to provide the information (20 working\* days) does not include the period between the issuing of the fees notice and the receipt of the payment.
- We may be unable to provide the information you request for any for the following reasons:
  - We do not hold the information
  - We are applying an exemption to the disclosure
  - It would cost the School more than £450.00 to provide the information (this figure is set by Government and is based on the work exceeding 18 person hours to gather the information).
- If we are unable to provide the information we will do all we can to advise you as to how you might obtain the information elsewhere or in a different way to keep the cost down.
- The Trust will seek advice from its legal services provider as necessary to clarify any points or to help resolve any disputes over information requests.

## **CHARGES**

The general charge for photocopying, printing and emailing information as an attachment is 10p per sheet. Postage charges will be at the appropriate rate. For more substantial items, the fee charged depends on whether we estimate that it would cost more or less than £450.00 to provide the information.

In the vast majority of cases the cost will be under £450.00 and we will then charge only for photocopying, printing, faxing and postage. We may also charge for any work required to put the information into the required format, which could involve, for example:

- summarising the information;
- putting the information onto any form of media;
- translating the information into a different language.

We will not normally charge for providing information in an alternative format where this is requested on grounds of disability.
